Picture this... it's the middle of summer and you're finishing up a game of pickleball on your private tennis court. It's 80 degrees and you hop over to the pool to cool off... after a couple hours of friendly encounters with your fellow community members you start to get hungry. Go home real quick to pack a picnic dinner and jump in the golf cart and head to your private beach to watch the sunset. This 3 bedroom 2 bathroom home is located in a golf cart friendly community and comes with deeded access to the Chesapeake bay, access to a private boat ramp located in Hungars creek (some of the best trout fishing on the Shore), private beach access, a private tennis court, and gated private pool! Located between Exmore and Cape Charles this home is exactly what you have been searching for!

**18731 Johnsons Landing Road,
Parksley, VA – Hunting Creek
MLS 60046**

Peace and quiet and about 1+/- mile from the Chesapeake Bay via the water - great fishing! go to one of any of the small islands and enjoy the sandy beaches. 2 docks on the property - one needing repair. Private peninsula with woods on one side and the creek on the other. Original home built 1910 - when this area was harvesting oyster, clams and crabs that where shipped by rail to the northeast. This home was renovated and added on to in 2015 and now has an open floor plan. With this renovation came an owners suite with 2 walking in closets, deck, bathroom with shower, jetted tub, and a living room with vaulted ceilings, fire place with electric logs, wet bar, and large windows with creek views. Come enjoy the great outdoors, the water and the bay. Walkin attic. Workshop in garage.
